Kentucky GESPC Trainings Session kicks-off conference: 2 to 3:30 pm – August 23, 2016

The Energy Services Coalition's 5th Annual Market Transformation Conference in Louisville will kick-off the afternoon of August 23rd with a special training session for local units of government.

The "Local Public Sector ESPC Training" session is designed as a special training for public officials on how performance contracting works in Kentucky.

Lee Colten and Lona Brewer of the Kentucky ESC Chapter and the Kentucky Department for Energy Development & Independence, Division of Efficiency and Conservation, will moderate the session.

If you are in a position of managing, developing or implementing an energy savings performance contracting project in Kentucky, this session is designed especially for you!

Attendance is limited – so register today! See ya’ll in Louisville.
