### Emerging Technologies Session starts a full day of sessions on Day 2

Wednesday at the ESC is filled with a full-day of sessions. Day 2 (August 24) of the Energy Services Coalition's [5th Annual Market Transformation Conference](#) in Louisville starts with the "Emerging Technologies" session.

Doug Dahle of the National Renewable Energy Laboratory is moderator for this session that features speakers on new trends and technologies in water/wastewater, battery storage/distributed energy, and lighting.

Speakers include Bryan Bedell (Water Design-Build Council), Todd Smith (SYLVANIA Lighting Solutions), and Jeremy Niederjohn (Johnson Controls, Inc). This session will explore new trends and technologies that are improving energy efficiency in our buildings and facilities.

Attendance is limited – so [register](#) today! See ya'll in Louisville.

## ***WANT IN ON THE ACTION?***

For sponsor support, please contact either Tracey Kohler, 703-867-2175 or e-mail [tkohler@energyservicescoalition.org](mailto:tkohler@energyservicescoalition.org). Or, contact Jim Arwood, 602-468-1702 or [jimarwood@cox.net](mailto:jimarwood@cox.net).

The ESC is the nation's only public-private-partnership organization leading the charge to deliver the benefits of Energy Savings Performance Contracting.
