Financing Energy Efficiency Improvements

Want In On The Action?

Financing case studies and trends are presented in the second session of the afternoon of August 22nd at the 8th Annual ESC Market Transformation Conference. The financing panel will focus on energy project financing as panelists explore various perspectives on the history, current trends and future considerations for financing renewable and energy efficiency projects.

Tony DiPrima, Delaware Sustainable Energy Utility, Executive Director and ESC Board member, moderates this panel. Panelists include:

Lisa Tames, Bank of America Merrill Lynch
Charlie Zitnik, D.A. Davidson & Co.
Karen Keeler Pelzer, All American Investment Group
